

Student Volunteer Application Form

IEEE
QUANTUM
WEEK

We kindly invite graduate students with an interest in the topics of the IEEE International Conference on Quantum Computing and Engineering (QCE26) to apply to volunteer for two days (9:30-17:15) in exchange for a highly discounted full QCE26 registration.

[IEEE Quantum Week 2026](#) will be held in person with virtual participation in Toronto, Ontario, Canada, at the Metro Toronto Convention Centre. As a hybrid event, QCE26 will broadcast the sessions to virtual participants and record the sessions for QCE26 On-Demand after the main event ends on September 18.

IEEE Quantum Week 2026 features **17-18 parallel program tracks per day over six days — Sun, Sep 13 – Fri, Sep 18, 2026**. QCE26 needs approximately **65 student volunteers to run the 100 tracks** and support the registration desk, exhibits & posters hall effectively. For **volunteering two full days (9:30-17:15) at QCE26**, student volunteers will receive a **highly discounted full registration**. To apply as a student volunteer, please fill out this **QCE26 Student Volunteer Application Form** and submit the form via the [QCE26 EasyChair Student Volunteer Signup](#) track. Please note that the student volunteers **must commit to attending QCE26 in person at the Metro Toronto Convention Centre in Toronto, Ontario, Canada**. Please note that **travel and accommodation costs are not included** in this offer, which provides a highly discounted volunteer registration fee. There are no remote volunteer opportunities.

Student volunteer

First name: _____ Last name: _____

Affiliation: _____ Email: _____

Graduate advisor

First name: _____ Last name: _____

Affiliation: _____ Email: _____

Student volunteer general quantum interests — also enter three interests into the Keywords box of the EasyChair upload form
Keywords or brief description of quantum interests to facilitate assignments of volunteers to tracks matching your interests.

Interests: _____

Preferred volunteer days — Please enter your preferred days into the Title Box at EasyChair when you upload this form.

Select at least two days: Sun/Sep13, Mon/Sep14, Tue/Sep15, Wed/Sep16, Thu/Sep17, Fri/Sep18

Days: _____

Student volunteer preferences for tracks and tasks

Tutorials, Workshops, or Technical Paper Tracks; Registration Desk; Exhibits & Posters.

Tracks & Tasks: _____

Important Student Volunteer Information and Requirements

- Sign up early—first come, first served.
- All QCE26 participants, including student volunteers, must register for QCE26. By submitting a student volunteer form to QCE26, you are making a commitment to register for the full conference upon acceptance, using your student volunteer discount code and attending the conference in person. Upon acceptance, you will receive a discount code for your full registration, reducing the fee to a highly discounted rate.
- Please note, IEEE Quantum Week 2026 will make every effort to assign volunteers to the track preferences and tasks listed on the application form. However, QCE26 cannot guarantee to honour the volunteers' exact requests.
